Item 1. Security and Issuer.

This statement relates to the Common Stock, par value \$0.20 per share ("Unitrode Common Stock"), of Unitrode Corporation, a Maryland corporation ("Unitrode"), the principal executive office of which is located at Eight Suburban Park Drive, Billerica, Massachusetts 01821.

Item 2. Identity and Background.

This statement is filed by AlliedSignal Inc., a Delaware corporation ("AlliedSignal"), successor by merger to The Signal Companies, Inc., a Delaware corporation ("Signal"). It amends and restates Signal's Schedule 13D filing made on July 2, 1980, as amended by Signal's Amendment No. 1 filed October 7, 1980 and Amendment No. 2 filed January 24, 1984, and as amended by AlliedSignal's Amendment No. 3 filed April 23, 1993, Amendment No. 4 filed September 17, 1993, Amendment No. 5 filed March 31, 1994 and Amendment No. 6 filed July 6, 1994. AlliedSignal is a diversified manufacturing company with businesses in aerospace, automotive and engineered materials. AlliedSignal's principal office is located at 101 Columbia Road, Morristown, New Jersey 07962-2497.

Schedule A to this statement sets forth with respect to each executive officer and director of AlliedSignal the following information: (a) name; (b) business address; and (c) present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is conducted. All of such persons are U.S. citizens except for Hans B. Amell (Sweden) and Paul R. Schindler (France).

Neither AlliedSignal nor, to the best knowledge of AlliedSignal, any person listed on Schedule A hereto has during the last five years (a) been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting activity subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Signal purchased a total of 2,585,700 shares of Unitrode Common

Stock (the number is adjusted for subsequent stock splits) in 1980 for a total purchase price of \$22,257,918. The funds were obtained from a combination of cash on hand at Signal or one of its subsidiaries and short-term bank credit. All of these shares have now been sold.

Item 4. Purpose of Transaction.

Signal acquired the Unitrode Common Stock referred to in Item 3 in 1980 for the purpose of obtaining a substantial minority interest in Unitrode. At the time it completed its purchases, Signal owned approximately 23.6% of the class of Unitrode Common Stock.

In April 1993, in Amendment No. 3 to this statement, AlliedSignal reported that although it had no specific plans to dispose of the shares of Unitrode Common Stock covered by this statement, the shares were not a strategic investment and sales might be made at any time, in one or more transactions, subject to the terms of the agreement with Unitrode referred to in Item 6 of this statement.

Page 3 of 5

Commencing in January 1984 the shares of Unitrode Common Stock covered by this statement were held on deposit by The First National Bank of Boston, as escrow agent under an escrow agreement, dated as of January 15, 1984 (the "Escrow Agreement"), filed as Exhibit B to Amendment No. 2 to this statement. The shares were held for exchange at the election of holders of Signal's 8% Subordinated Exchangeable Debentures due 2009 (the "Debentures"). Voting rights with respect to such shares were exercisable by the holders of the Debentures. To the extent voting instructions were not received from the holders of the Debentures, the shares of Unitrode Common Stock were to be voted in proportion to the votes actually cast by the holders of all outstanding shares voting on such matter. In April 1993 AlliedSignal redeemed all of the outstanding Debentures, and the rights of the holders to exchange Debentures for Unitrode Common Stock terminated. AlliedSignal reacquired the power to vote and to dispose of the 2,585,700 shares of Unitrode Common Stock, none of which had been issued upon exchange of Debentures.

Item 5. Interest in Securities of the Issuer.

See Items 7 through 13 of the cover page of this statement for the aggregate number and percentage of the class of Unitrode Common Stock beneficially owned by AlliedSignal.

From August 1993 through September 1994 AlliedSignal reduced its beneficial ownership of Unitrode Common Stock in sales transactions as follows:

Date	No. Shares Sold	Type of Transaction	Approximate Percentage of Class Owned After Sale
8/6/93	124,000	NYSE/Rule 144	19.7%
8/30/94	500,000	Private Sale to Unitrode	16.3%
7/1/94	500,000	Private Sale to Unitrode	12.6%
9/19/94	111,700	NYSE/Rule 144	11.6%

On April 21, 1995 AlliedSignal sold 500,000 shares to Unitrode, in a privately negotiated transaction at a price of \$19.63 per share. This sale reduced AlliedSignal's beneficial ownership of Unitrode Common Stock to approximately 7.7%.

On April 24, 1995 AlliedSignal sold its remaining 850,000 shares of Unitrode Common Stock, in a privately negotiated transaction in the third market, reported in New York Stock Exchange composite transactions, at a net price of \$19.325 per share, reducing its beneficial ownership of Unitrode Common Stock to zero.

Item 6. Contracts, Arrangement, Understandings or Relationships.

AlliedSignal and Unitrode entered into an Agreement, dated as of September 10, 1993, filed as Exhibit A to Amendment No. 4 to this statement (the "New Unitrode Agreement"), providing for (i) certain rights of first refusal of the shares of Unitrode Common Stock held by AlliedSignal and (ii) AlliedSignal's right to request registration of shares of the Unitrode Common Stock under the Securities Act of 1933, in each case until December 31, 1995. The New Unitrode Agreement extended mutual rights granted under a prior agreement between Signal and Unitrode.
